RDA TIGER Output Services Disclaimer

Effective Date: July, 2025

The work of RDA TIGER is done in close collaboration with the Research Data Alliance (RDA). However, the RDA is in no way responsible for RDA TIGER outputs and services, including those described here, and provides no guarantees for their use and content (in particular, any user-generated content).

The use of the RDA Logo is a registered trademark of the Research Data Alliance Foundation, the use of which is permitted the project under the Usage Guidelines[1] available on the RDA Website. The EOSC logo is copyrighted by the EOSC Association, and the use of the logo for co-branding by EOSC-funded projects is permitted under the EOSC Association's co-branding guidelines.[2]
